

Caretel Inns  
BRIGHTON

A harmonious approach to care.

## Assisted Living

Assisted Living is designed for guests who desire some support to make daily living easier. We offer care plans customized for the unique needs of each guest. Our philosophy is to offer guests their choice of quiet time in their own independent, private space or enjoying daily interactions with other guests through various programs and group activities that inspire a close-knit “family” community.

## Memory Care

The Constable House Inn offers an assisted-living environment designed specifically for guests dealing with the particular challenges that come with cognitive decline. The Inn is a safe and secure environment, staffed with a professionally-trained memory-care team who deliver supportive and caring programs specifically designed to meet the unique needs of these guests.

**Caretel Inns Brighton** specializes in assisted living, memory care, and post-acute rehabilitation. Our compassionate care providers are dedicated to providing the highest degree of expertise and support.
